INSURANCE PROGRAMS & RISK MANAGEMENT

## Comprehensive Insurance for ANCOR Members

Irwin Siegel Agency is pleased to offer an ANCOR-Endorsed insurance and risk management program designed for ANCOR members. Our comprehensive and competitive insurance programs are distributed through independent agents and brokers and are tailored to the unique exposures of the Human and Social Services industry.

### WHAT'S INCLUDED?

Our package policy for ANCOR includes Property, Commercial Auto, General Liability, Professional Liability, Abuse, Crime, and Umbrella.

### EXTENDING COVERAGE WITH ADDITIONAL POLICIES

#### DIRECTORS & OFFICERS (D&O) LIABILITY/ EMPLOYMENT PRACTICES LIABILITY (EPL)

Our product is tailored to safeguard against the exposures Nonprofit Directors and Officers face – claims not covered under the organization's general liability policy.

Employment Practices Liability coverage protects against claims made by or on behalf of employees for a wrongful employment act, including allegations of wrongful termination or treatment, discrimination, or harassment.

#### CYBER LIABILITY

A cyber attack is a large financial threat to every organization. Coverage typically includes, incident response, privacy breach, HIPAA coverage, notification costs, business interruption, system damage, and optional cyber-crime. We can tailor the limits to meet the individual agency's needs.

#### ACTIVE ASSAILANT

In the event of a horrible tragedy, ISA can support you and help you to put the proper systems in place. Coverage generally includes legal liability (including defense costs), physical damage, business interruption and extra expense, brand rehabilitation, forensic clean-up and temporary relocation expenses as well as a special endorsement exclusive to Irwin Siegel Agency that offers coverages specifically tailored to the Human and Social Services Industry.

We work with your existing agent or broker. Visit [www.siegelagency.com/ANCOR](http://www.siegelagency.com/ANCOR) to learn more.

INSURANCE PROGRAMS & RISK MANAGEMENT

Irwin Siegel Agency is committed to providing on-going education to the ANCOR membership. Through our Risk Management Division, all insureds have access to exclusive safety resources, training programs, loss control consulting and discounted partner services. By looking at hazards, processes, and programs proactively, safety risks can be identified and controlled before incidents occur.

## SOME OF OUR FEATURED RESOURCES INCLUDE:

### VIDEO LENDING LIBRARY

We have an extensive library of safety and training videos that are relevant to the Human and Social Services industry.

### ONLINE TRAINING & WEBINARS

We offer online courses to help reduce training costs and provide continuing education for your staff.

### PRINTED SAFETY RESOURCES

Our risk management flyers and booklets provide essential tips on popular safety issues.

### PROACTIVE RISK ASSESSMENTS

Practical risk management strategies that can be implemented at little to no cost are taught in this workshop.

Some of the services provided by our Risk Management Division include workshops at your annual conference, on-going invites to industry related webinars, and access to our network of discounted partner services which includes, but is not limited to:

Background Checks

Abuse Mitigation Services

Online Training

Employee Screening Tool

## Claims Handling Expertise

### Rely on Us to See You Through

We understand that incidents are inevitable. When the unexpected occurs, the main objective is to control the extent of damage while progressing toward settlement in a fair and expeditious manner. Our goal is to make sure you stay informed and updated on the status of the claim throughout the entire process.

Our Claims Division is a team of knowledgeable and experienced specialists who help during the moments that matter most. Our professionals:

- ▶ Ensure Claims are Handled Promptly
- ▶ Act as Liaisons for Involved Parties

We have long-standing relationships with litigation specialists with decades of Social Service expertise.
